Sub :- Permission for visit in PHC

R/Mam

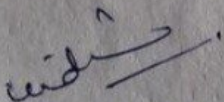

As per the practical scheme of B.A. Home Science, there is PHC visit in their syllabus. So, kindly allow B.A. Home Science students and myself (Dr. Anu, Assistant Professor) to visit in nearby PHC (Pundri) in college time.

Thanks.

Report
on
Visit in Primary Health Centre

Department of Home Science, CISKMV, Fatehpur - Pundri organized a visit for B.A 1st Year Home Science students in near by Primary Health Centre.

Aim of the PHC visit

- ⇒ To provide the knowledge about the service of PHC according to the syllabus.
- ⇒ To give health education to adolescence regarding Health and Nutrition.
- ⇒ To provide the information regarding Immunization schedule.

Students reached the PHC on 5-4-2023 at 10.00 am. Sh. Satish Chopra gave us orientation of the whole PHC. Sh. Satish Chopra explained about the routine activities to the visitors and other staff members, who were working at the PHC.

Sh. Satish Chopra from the PHC also gave the information to the students

regarding the various equipments that were available in different departments of the PHC. Senior Gynecologist gave the knowledge about the personal health and hygiene to the students.

Sh. Seetbi's Chopra provided the information about the various facilities which were given to the patients such as :-

- ⇒ Antenatal check up, Postnatal check up and free of cost delivery conducted in PHC.
- ⇒ Different methods of family planning services are available like Copper-T insertion, Contraceptive pills, Condom etc.
- ⇒ Diagnose and treatment of sexually transmitted diseases like AIDS.
- ⇒ TB Clinic and laboratory (DOTS)
- ⇒ Leprosy clinic - diagnosis and treatment
- ⇒ Referral services
- ⇒ Basic laboratory services
- ⇒ Immunization schedule.

The overall experience of the PHC visit was very fruitful and Informative to the students of B.A 1st Year Home Science. The staff of the PHC were very Co-operative and they were very keen to give us all the information that we needed.
